SERVICES

Stonework

Decorate your outdoor spaces with the use of custom stone patios, pathways, and walls. Get an attractive look and durability for your space.

Brick or Stone Veneers

Upgrade your old-fashioned home by adding thin layers of brick or stone to its exterior without the expense of solid masonry.

Flagstones

Create patios and walkways that are aesthetically pleasing and also durable with the help of natural flagstones that sport both elegance and toughness.

Brick and Stone Window Sills

Protect your window gaps from water by using available materials like bricks or stones and also improve the overall outlook of your living space.

BRICK REPLACEMENT

Replace the broken bricks with the identical ones that mix in with the rest without creating a contrast for a new and robust look.

CHIMNEY REPAIR AND REBUILDS

Address and solve any issues involving leakage, cracks, or total reconstruction so you may feel safe and your chimney functions as expected.

masonry Restoration

Tuck Pointing

Replace the old mortar between the bricks or stones to reinforce the structural masonry and get the appearance it originally had.

Tuck Pointing

Replace the old mortar between the bricks or stones to reinforce the structural masonry and get the appearance it originally had.

Window and Door Openings and Alterations

Revamp the existing brick or stone openings to open, such as cutting and enlarging new windows or doors for more light and air access in the room.
