TECHNICAL GLASS LLC

ABOUT US

Sunrise Technical Glass is a trusted provider of premium laminated glass solutions in Oman, delivering products that consistently meet and exceed industry standards. Renowned for quality, safety, and durability, we cater to a diverse range of clients with tailored glass solutions engineered for high performance. Laminated glass is ideal for enhanced security, offering exceptional strength, resistance to heat and moisture, and superior protection against impact and forced entry. Our streamlined supply chain ensures timely, secure delivery, while our skilled installation team guarantees flawless, long-lasting results. With a focus on precision, innovation, and reliability, Sunrise Technical Glass is your go-to partner for advanced laminated glass—designed to perform, built to last, and trusted across Oman's most demanding environments.
