ABOUT US

Founded in 1996 as part of the prestigious Ali & Sons Holding Group, EuroStar Rent a Car has established itself as one of the UAE's leading mobility service providers with over ten locations across the region. We offer an extensive fleet ranging from luxury cars, SUVs, and sports cars to minivans and more, with flexible rental options tailored to daily, monthly, or long-term needs. Every vehicle is meticulously maintained by certified technicians using genuine OEM parts, ensuring superior safety, quality, and performance. Backed by a team of over 300 dedicated professionals, EuroStar Rent a Car is committed to delivering exceptional service at highly competitive prices, making us the trusted choice for both personal and corporate transportation solutions across the UAE.
